Takes Objection to Report
of Board of Con-
ciliation.

SAYS STRIKERS
NOT EMPLOYERS.

Also Claims That Rev. J. L.
Gordon Not Recognized
as Representative

Winnipeg, Oct. 29.—The Grand
Trunk Pacific Railway has issued an
official statement on the report of the
board of conciliation given out last
week by Rev. Dr. Spaulding, Dr. J. L.
Gordon and T. J. Murray on the man-
agement and mismanagement of the
company.

The chief objection of the union
is based on the claim that the man
who presented the strike to the
board of conciliation was not a rep-
resentative of the company, having
been asked to resign from the board
of conciliation.

The correspondence between the
company and the board from the side
of the company is reproduced, state-
ing that while furnishing the pay-
roll the company did not thereby
negate the board's findings.

PROPRIETOR OF THE
NEW YORK WORLD DEAD

Well Known Newspaper Man of
the United States Passed Away—Was
one of the leading writers for the
American Journalistic World.

New York, Oct. 29.—Joseph Pul-
litzer, proprietor of the New York
World, died of heart failure today on
board his yacht, Liberty, in the har-
bor at Charleston, S. C., after a illness
of two days.

The news was received here in a
telegram from his younger son, Joseph
Pulitzer, Jr., who was in the city
on Oct. 29, intending to take a tele-
phone call to his father in his home
at Brunswick, Georgia, where he had a
winter home. As he was on his way
to his father's home, he was told that
his father had died. He was then
informed that his father had died of
heart failure.

For more than a half a century
Joseph Pulitzer had been one of the
leading figures in American jour-
nalism. Born in Hungary in 1847 and
educated there, he came to this coun-
try in 1868, enlisted in the Union army
and served as a cavalryman until the
end of the war, when he settled in St.
Louis, which for many years was to
be the scene of his journalistic activi-
ties.

His Early Training.

His newspaper training was as a
reporter and afterward city editor,
managing editor, and port proprietor
of the Washington Post. He was
born in Hungary in 1847 and came
to this country in 1868. He was
educated in Hungary and then in
Germany. He was a member of the
legislature in his native Hungary and
was a member of the New York legis-
lature in 1890. He was a member of
the New York legislature in 1890.

Loss His Eye.

Mr. Pulitzer's slight began to fill
his eye late in life and after a
time he became totally blind. He
suffered from this for a long time
but he had had a partial general
operation here in St. Louis and had
taken a pronounced interest in civic
life. He had been a member of the
board of education and had been
a member of the New York city board
of education.

YUAN SHI KAI THE MAN OF THE HOUR IN CHINA

Great influence has been placed in Supreme Command of Military Movement—He Will Be the Dictator in the Near Future—His Position Similar to That of Britain

Washington, Oct. 27.—Unable to do much more than his best during the war, maintaining a naval force in the upper reaches of the Chinese rivers, because of the lack of light draft gunboats, Admiral McDowell, commander-in-chief of the Asiatic Squadron, has decided to suspend the American flag from the vessels at the deep water ports. He has ordered the coast defense ships, monitors and the double-turreted monitors, to proceed as once from Manila to the Chinese coast. These ships are to look after the interests of Americans and foreigners. Ambassador Bacon called today from Paris that the French government had decided that it did not see the necessity for joint action of the foreign naval forces in China. This decision was in spite of the State Department's suggestion that various governments and ministers learn the purpose of the governments to which they were accredited in dealing with the situation in China, and the French response is exactly in line with the view of the British government.

Chinese Refused to Take Action.
The State Department was informed today, through the Chinese legation here, of the appointment of Yuan Shi Kai to the supreme command of military movements in China. Yuan Shi Kai, at whose invitation negotiations between the government and revolutionaries are about to begin, is believed here to have been awaiting such a commission on the present government's part before consenting to take an active part in the campaign.

The view here is that Yuan, who is a reformer and popular with the masses, was awaiting the willingness of the government to confer upon him adequate authority to compromise with the revolutionists on terms that would preserve the throne, and at the same time guarantee a constitutional government to the Chinese people.

The view here is that Yuan, who is a reformer and popular with the masses, was awaiting the willingness of the government to confer upon him adequate authority to compromise with the revolutionists on terms that would preserve the throne, and at the same time guarantee a constitutional government to the Chinese people.

It is believed here that he is acceptable to the revolutionists and that they will be willing to make terms through him for a settlement on the guarantee of a constitutional government immediately. The progress of events in China, it is pointed out, seems to be favoring Yuan. Tiao Tching, the deposed commander in chief of the imperial army, was the latter's personal enemy, while Lany Hsueh, the newly appointed minister of communications, is one of his promoters. Indications here are that Yuan will be chosen premier.

Misinformation Ruled.
New York City, Oct. 27.—The newspapers are well and safe up to the present as far as we know. This afternoon, dated Shanghai, was received today by the Presbyterian Board of Foreign Missions.

Dispatches Arrive.
London, Oct. 27.—A dispatch from Hankow says that Yuan Shi Kai, the rebel leader, in an interview at Wu Chang, insisted the idea that Dr. Sun Yat Sen is connected with the revolution. When asked whether the rebels would make Dr. Sun as premier, he said Sun's methods were too despicable.

THIS WAR FEVER IN ITALY—An Excited Crowd on the Streets of Naples, having a regular Pretext Day

Government Victory Reported.
Shanghai, China, Oct. 28.—Wireless dispatches from Hankow, reporting a sweeping victory for the imperial troops there yesterday, caused a flutter in Shanghai today. The reports were received even in official circles with incredulity. Rebel sympathizers declared the dispatches were undoubtedly sent from a government source to bolster up the failing cause. The wireless dispatches were caught by some of the German naval officers. They gave no details but said there was fighting all yesterday at Hankow, and that the result was a sweeping government victory, compelling the revolutionists to abandon Hankow and fall back across the river.

Situation Desperate for Government.
Whatever the situation at Hankow matters have grown more desperate for the government cause. There were persistent reports that Chiang Kiang, 100 miles above Shanghai, was about to fall into the hands of the rebels. Chiang Kiang is the first of the series of the lower part of the river forts above Shanghai, and is regarded here as the key to the defense of the city. If it falls it is conceded that all the forts below it, as far as Wu Sung, will quickly follow. Wu Sung, ten miles above Shanghai, ranks as the city's last line of defenses. West of Shanghai, the wealthy city of Su Chow is threatened, while above Chiang Kiang, three important cities—Nan Ching, Yang Ching and Wu Sung are believed to be in danger. All four of these cities reported today that while the situation was still quiet there is sympathy for the rebels' cause and probably little effective resistance will be offered an attack.

TAIT DENIES ANY POLITICAL MOTIVE

Administration Not Being Influenced in Trust Prosecution—United States President Addresses Immense Throng at Chicago and Drew Storm of Applause.

Chicago, Oct. 27.—In a speech here tonight, which was regarded as having a direct bearing on the government's latest trust prosecution against the steel corporation, President Taft denied, in vigorous language, that the administration was being influenced by political motives. "I would rather cut off my right hand," he exclaimed, "than do anything to disturb the business of the country, especially with a motive of cultivating political success."

The President said he wanted to be understood, for at that time he intended to enforce the anti-trust laws to the letter. "I cannot turn from the duty that lies straight before me," continued Mr. Taft.

He spoke in an immense throng in the First Regiment Armory, and his anti-trust declarations called out a storm of applause and cheers.

TWO YEARS FOR CHILD NEGLECT.

Two years imprisonment in the Alcatraz penitentiary was the sentence passed by Mr. Justice Simmons Friday afternoon on John Deborowski, who was found guilty of negligence which resulted in the death of his infant child last June. Deborowski was found guilty on each of two charges of failing to provide proper medical attention for his child when it was suffering, and that the death of the child, and of assault on the child. He was sentenced to two years imprisonment on each charge, the sentences to run concurrently. Deborowski is a barber, who has been living in the vicinity of Lamont.

Mike Sadoski was arraigned for trial this morning on a charge of assault upon Nels Polak, E. B. Cawell for the prosecution and J. M. Hagar for the defense.

ADMITTED HIS MISTAKE.

The adverse criticism of the work done on the new nurses' home at the isolation hospital, under the supervision of Ed. Lively, appointed recently clerk of works, was the subject of a report submitted to the commissioners by Mr. Lively, Saturday. He stated that he had arranged to examine the work in company with Building Inspector McIvor, with the result that Mr. McIvor had been obliged to acknowledge the defects of which he complained had already been reported by him and condemned by the commissioners.

Seventeen degrees of frost were recorded at the meteorological office in Edmonton during the night of Thursday, the lowest temperature recorded this season.

PLEASES EVERYBODY

Last week we were kept quite busy showing the advance sections of

THE BULLETIN GREATER EDMONTON NUMBER

and of the host of callers not a single one went away disappointed and very few left without ordering a few extra copies—one gentleman leaving \$5.00 for ten of them.

From present appearances

The Greater Edmonton Number will be On Sale November 15th

and at the rate they are being spoken for the demand will exceed the supply and we would advise all interested to order early. The

GREATER EDMONTON NUMBER

will contain 200 pages, and nothing in the way of story or illustration that tends to portray the magnificent past, present and future greatness of Edmonton has been overlooked.

PORT GEORGE—The second Division, at point West of Edmonton on the Grand Trunk Pacific Railway, located at the junction of the Nebo and Fraser Rivers, in British Columbia, where place is bound to become a large city. The British Columbia people purchased the land for their own use.

We are offering to investors several five acre blocks of land located just one mile west of the Natural Resources (Government) and one mile north of the high dry and level, free from stones and excellent soil for all crops. The price of \$25 to \$35 for a five acre block. The terms are very easy and no cash is required. Only \$100 cash down and the balance in 12 months. No interest and no taxes, and the title guaranteed by the British Columbia government. Lots only 21 feet wide are being sold for \$150 each, which are only one-half mile from our property. For full information see **RESIDENTS' GIRD GAME LICENSE**. One of this block is now being sold.

RESIDENTS' BIG GAME LICENSE—The cost of this license \$150. If you are going through the country at the LOCATOR as we issue these.
